MOSPORT

**JUNE 18-20
2010**

“BACK TO THE GRASS ROOTS”

Join VARAC and Mosport in celebrating “50 years of Mosport” in 2010 and return with us to the glory years of grassroots motorsport with three full days of spectacular on-track action as hundreds of cars from Canada & the US challenge the track and each other.

See racing featuring cars from the golden era such as Jags, Porsches, Triumphs, Daimlers, Alfas, Minis, Healeys, Formula Cars and the 2010 MG Vintage Racers Focus Event with MGs of all eras.

Meet well known motorsport author, Burt “The Ride Mooch” Levy, who will be on hand to entertain on-track in a borrowed car and provide autographs.

Take in Canada’s largest Mini gathering, Mini Meet North. Show your “Pride and Joy” and join our “Field of Dreams” Car Show on Sunday Morning. We welcome sports cars, hot-rods and Car Clubs with complimentary dash plaques and Sunday noon parade laps of the Mosport track. There are reduced General Admission charges for drivers of Vintage road cars including free entry into the car show and parade laps!

Enjoy free camping, visit the vendors, enjoy the great viewing opportunities around the track, walk freely through the paddock and get up close to the cars and drivers

Why not bring the family and enjoy a great weekend of fun at the track. It’s a super value!
