Additional Information	
<i>Events Involving Food</i>	All events involving food are "humans only" events. In compliance with health code regulations and safety issues we cannot accommodate any fur-kids. Please make provisions (e.g. crates) to leave your dog(s) in your camping units for the duration of these events.
<i>Potluck</i>	If you would like to participate, please bring a dish to share as well as your own place settings and drinks. Homemade is great, but Wal-Mart, Food Lion, Chili's, Pizza Hut, KFC, deli salads, bakery desserts, etc., work also. The important thing is to enjoy the company of your fellow camper friends.
