Join author Phil Noyes (he co-wrote "Trailer Travel, A Visual History of Mobile America") for a truly vintage evening of travel trailer fun. Phil will be at our Rally to premiere his new book ***Trailerama*** and will also bring some of his favorite trailer related movies from the 30's, 40's and 50's. From cartoons to home movies, news reels to travelogues, there something for the whole family to enjoy.

***Trailerama*** provides a visual wonderland filled with fascinating and diverse imagery that will surprise the average reader. From sheet music to greeting cards, postcards to Hollywood, the travel trailer figured prominently in twentieth-century American pop culture. It's put on grand display in this kitschy celebration culled from the coffers of Trailer Travel's Phil Noyes.
