

# CALL FOR SUBMISSIONS!

## Be a part of our 2014 TCT PHOTO CALENDAR

## JUST LIKE NEW!

Please submit your best vintage trailer photos for consideration in the 2014-2015 Tin Can Tourists Calendar.

The theme is "**Just Like New**"

For this years theme just send me a couple of photos of your vintage trailer. An good exterior shot and any other that gives a good impression.

I need a **period advertisement**, or the cover of an owners manual, something that would show what the manufacturer had in mind when the rig hit the market. We will have 12 months of gorgeous trailer photos paired with an interesting historical context.

Please do not include people in your submitted photos.

Last year's calendar went fast and we have had a lot of requests for a copy after they were gone!

**REQUIREMENTS:** Your photo should be high resolution, original size.

The explanation should tell me when the pictures were taken and possibly some information others would like to know. Please include your name, year and model of your rig.

Please e-mail me with ideas and questions.
