## Be a part of our 2015-16 TCT PHOTO CALENDAR

Home Sweet Home  
Away From Home

**Please submit your best vintage trailer photos for consideration in the 2015-2016 Tin Can Tourists Calendar.**

The theme is "Home Sweet Home Away From Home"

This year just send me a couple of good exterior photos of your vintage trailer. If you have a vintage tow vehicle include a shot with the trailer and tow vehicle together as well. I will use one or the other depending on the composition.

This year you do not need any interior shots, no vintage owners manuals or fancy roadside attractions. Just a great shot of your treasure on wheels. I am hoping this will encourage folks who have not entered before to send in pictures.

Last year's calendar went fast and we have had a lot of requests for a copy after they were gone!

**REQUIREMENTS:** Your photo should be high resolution, original size and without people in the shot.

**Please include your name, home address as well as the year and model of your rig.  
Please e-mail me with any questions.**
