

2018 Annual Gathering Registration Procedure

Registrations are to be mailed so that they are postmarked on or after Thursday, February 1st, 2018. First Class mail only. The registrations postmarked on that date will be randomly placed in a box to be drawn to complete the numerical roster. This roster is then compiled and sent to Camp Dearborn. You will be contacted by Camp Dearborn after March 12th to reserve your site. Please recognize that it may take a couple weeks to contact everyone, so be patient. Your phone number is extremely important to ensure a smooth and orderly site reservation process.

Submitting a registration form postmarked prior to February 1st 2018 will cause the registration to be processed after the correctly submitted registrations.

The numerical list will be sent to Camp Dearborn indicating your site preference. Many of the preferences will be honored. If your preference had been selected by someone that was contacted earlier, your preference as to whether you indicated electric only or full hook-up will help Camp narrow down the site possibilities.

There are some things you need to consider regarding site preference:

- The highest demand for sites is 1-65 (electric only). They fill up the fastest
- K Row is an electric only area that may suit you
- Twenty-four electric only sites are available near the meeting tent. People with mobility difficulties might consider these sites (New Maple Area). There is a restroom located near the tent. There will not be individual fire pits or open fires allowed in this area.
