

TIN CAN TOURISTS 12TH ANNUAL NE RALLY

Sampson State Park on Seneca Lake, Romulus NY, September 12-15, 2019

Registration will open on Saturday February 2nd, 2019.

New for 2019 - We are expanding to 2 loops and should be able to accommodate close to 100 trailers. Due to the expansion of the Rally will be using a large tent placed between the two loops for a common meeting area for meals, happy hours, the band, and presentations. We will have an educational presentation, hopefully by Hunt Jones. We will also have the open house and judging on Saturday. A finalized schedule will be sent prior to the Rally.

Registration info - This is always a popular rally and fills quickly, there will be a wait list based on first-in/first-out, if you are unable to register. This year the registration form will be online, you will simply open a link, answer the questions and then submit your form of payment (paypal or check). More detailed information will be sent out in January with specific instructions on how to register. Don't worry, the new process is very easy!

Cancellations: If you cancel attendance, we will not be able to refund your registration fee unless we can fill your space from the wait list (refunds not possible 14 days prior to the event).
